

Get your little artists ready for the Peace Dove Cup

Calling all parents! OCBC will be co-hosting an exciting cultural exchange and children's painting competition in collaboration with the Shanghai Administrative Committee for the Historic Relics of Sun Yat-Sen & Soong Ching Ling and Shanghai Soong Ching Ling Foundation. Young artists aged 4 to 24 from Singapore, China and Malta are invited to create pieces that showcase their vision of a better world.

Each participant will create a painting that reflects the theme: "Science & Technology, Green, Future". Selected pieces will be shown in international exhibitions. They will also be put up for auction by the Peace Dove Art Special Fund. Proceeds will go towards supporting art education in Guizhou. That is not all – there are attractive prizes to be won, too!
